

# Anchorage Bible Fellowship Children's Ministry Mission

*Helping kids to grow in God through prayer,  
study, loving, helping and telling others about  
God.*

## *PRAYER:*

- *Help develop the ability and habit of praying both privately and corporately.*
- *Teach the power, need, and effectiveness of prayer.*

## *STUDY:*

- *Establishing a firm foundation to build upon throughout the child's life, with the goal that they will make biblical, moral, and righteous decisions when presented with choices.*
- *Instill God's Word to help **protect** the child from the **influence of the** "outside" world.*
- *Teach the children how to study God's Word by giving them grounds to find answers to difficult questions or problems that they may experience.*

## *HELPING OTHERS:*

- *Incorporate children into God's and ABF's family by teaching them of the importance of serving others.*
- *Get children used to working for the benefit of others, and help ease them into age-appropriate ministries within the body.*
- *Help children see that there are needs not only within our own church body, but that our responsibility extends to others "outside" in the unsaved world.*

## *TELLING OTHERS:*

- *Equipping children to age appropriately handle the word of God. To be workmen unashamed of the gospel.*
